EDUCATION

Shri Shankaracharya Technical Campus (SSTC), Chhattisgarh, India
Bachelor of Technology (B.Tech) in Information Technology

2019 - 2023
CGPA: 9.0

TECHNICAL SKILLS

- Programming Languages: C/C++ | Python | HTML | CSS | SQL
- Frameworks: Bootstrap | Android Studio
- Databases: MySQL
- CourseWork: Data Structures | Database Management System | Object Oriented Programming
- Soft Skills: Leadership | Critical Thinking | Time Management | Teamwork

EXPERIENCE

GEEKSFORGEEKS | Technical Content Engineering Intern ([Certificate](#))

June 2021 - Dec 2021
India

- Producing good quality articles based on basic data structures and algorithms.
- Topics such as arrays, strings, etc. to be added in the practice section.
- Writing and reviewing articles on various computer science topics. ([Articles](#))

PROJECTS

FOOD RUNNER - ([GitHub Link](#)) Tech: Kotlin, XML, Android Studio

Develop an android application with multiple features like Home page menu, food categories, add to cart, orders checkout, implementing with best practices using **XML layouts, shared preferences, Networking, SQLite database** to ensure seamless performance.

- Home page showcasing a diverse array of food items.
- Implemented features like user registration, login, logout, favourite orders etc.
- Designed and developed interactive pages to enhance user experience.

BANKING MANAGEMENT - ([GitHub Link](#)) Tech: Python, Tkinter

A Banking System implemented with all advanced features using **Data structure & Algorithms, TKinter, Datetime, OS** and many more.

- Design multiple pages for banking related activities.
- Ensure security features in various module such as User Login, Admin Login, transactions etc.
- Multiple Features like Opening New Account, Depositing, Withdrawing, Account summary, transferring etc.

ACHIEVEMENTS

- Currently having GeeksforGeeks **Rank 5th** (600+ participants) in our college. ([Profile](#)) | ([Ranklist](#))
- Secured **Global Rank 483th** (14,000+ participants) in CodeCrush Coding Contest 2023. ([Certificate](#))
- **Finalist** in TechGig Code Gladiators 2023 | **Rank 264th** in **Top Coders** Category. ([Ranklist](#))
- Secured **India Rank 492th** (1700+ participants) in Project Her 1.0 Coding Contest 2022. ([Certificate](#))
- Secured **Rank 1120th** (1 Lakh+ participants) in Newton's Grand Coding Competition 2022. ([Certificate](#))
- Solved 2000+ problems on different platforms, Top 5 % in many Competitive Programming Contests.

CERTIFICATIONS

- Certification of Android App Development 2022 from Internshala Trainings. ([Certificate](#))
- Certification of Problem Solving (Intermediate Level Exam 2021) from HackerRank. ([Certificate](#))
- Certification of Python from HackerRank. ([Certificate](#))

PROFILES

- Codechef/ [saptarshi12](#) (★★★★)
- HackerRank/ [saptarshi](#) (★★★★★)
- Leetcode/ [saptarshi](#) (Top 14.4 %)
